The screenshot shows the Virtual DJ software interface. At the top, there's a CPU usage bar and a clock showing 18:25:22. The main area is split into two decks. The left deck is playing "David Guetta Love" at 134.00 BPM. The right deck is playing "Bob Sinclar ft. Dollaraman & Bi... Rock This Party" at 128.00 BPM. Both decks have various controls like gain, volume, and effects. Below the decks is a central mixer with volume sliders and a crossfader. At the bottom, there's a browser window showing a search for "guetta" with a list of results including "Love", "Money", "The world is mine", "Who is your daddy", "Love Is Gone - Music Video", "Delirious - Music Video", and "Everytime We Touch".
